

MEXICAN COMMISSIONERS ARE EXPECTED TO MEET SOON

Above, left, Secretary of the Interior Franklin K. Lane, and, right, Dr. John R. Mott of New York. Below, ex-Judge George Gray.

Secretary Lansing's announcement of President Wilson's selection of the three American members of the International Joint Commission has pleased those who hope that there is soon to be reached an amicable settlement of our border difficulties with Mexico. With three Mexican commissioners, Luis Cabrera, Alberto Pani and Ignacio Bonillas, the American members will soon meet, most likely at one of the Atlantic coast summering places and perhaps Ashbury park. Secretary Lane was the first American member selected. Judge Gray has had much experience on international bodies and Dr. Mott of New York has been secretary of the International committee of the Y. M. C. A. since 1895.

VILLA AND MEN
FIGHT DE FACTOS

(Continued from Page 1)
sitions practically impregnable because of their admiral fortifications, retired to Santa Isabel, where, according to the reports, they were reinforced by several hundred men under Colonel Carlos Sazua, and were reorganized for a fresh attack.

The de facto command, upon entering Sataevo, pushed through the town immediately on the heels of the retreating outlaws. A running fight terminating with a sharp skirmish at Las Cienegas de Los Lardones, ensued. The bandits, however, owing to the broken nature of the terrain, were soon forced further into the hills. Probably twenty bandits and as many Carranza soldiers were killed in the skirmish and from three prisoners taken there and later executed. It is learned that Villa has been in personal command of the forces occupying Satevo.

WASHINGTON, Aug. 31.—Navy advisers today from Mexican Gulf coast said 8,000 of the 16,000 inhabitants of town of Tehuantepec were suffering with malarial fever.

WAR SUMMARY

Artillery is active on all the battle fronts of Europe but only on the Transylvania-Rumania border has infantry been engaged to any extent. Along the whole line of the lower Carpathians, Rumanian armies are attacking Austro-Hungarian forces. The defenders are said to have retired to their second line.

Northeast of Kronstadt, Austro-Hungarians have taken new positions west of Chick-Szereda, on the Atula River. Rumanian attacks east of the Iron Gate on the Danube were pushed, Vienna says. Russian troops are marching through Dobrudja. It is reported a Russian fleet has arrived at Constantza. Bulgarians fear a combined land and sea attack on Varna. Rustchuk, Bulgaria, on the Danube, a report to Paris says, has been occupied by Rumanians. In Volhynia, Russians have repulsed a German attack northeast of Kovel with severe losses.

On the Somme front French forces have made progress in local operations. North of the Somme there has been no change.

British forces in August lost approximately 44,711 officers and 123,324 men killed, wounded and missing.

(By Review Leased Wire.)

NEW YORK, Aug. 31.—Guests today flew in hydro-aeroplanes to attend an aviation luncheon given by the Harlem Board of Trade to members of the New York Flying Yacht Club, said to be the first organization of its kind in this country.

Guests who flew to the luncheon were E. H. Kendrick, Atlantic City; Lawrence B. Sperry, inventor of the gyroscope stabilizer came from Amityville, N. Y., and David McCullough, who flew from Port Washington, N. Y.

Rear Admiral Robert E. Perry, the principal speaker, made a plea for an aerial coast defense patrol and advocated a department of aeronautics whose chief would have a seat in the cabinet.

At the conclusion of the luncheon Admiral Perry was taken to Governor's Island in McCullough's aeroplane. J. Homer Stover, U. S. N., flew to Sea Girt, N. J., where he delivered a message of greeting from the club to Governor Fielder.

YOUNG KNOX WANTS
DIVORCE FROM WIFE

Mrs. Philander C. Knox, Jr.

Philander C. Knox, Jr., son of the secretary of state, has been living in Reno, Nevada, since early June, his identity unknown and eschewing his residence there that he might divorce his wife. The two had parted two years ago. Mrs. Knox, who was formerly Miss May Bolter, a daughter of Providence, R. I., suspects that detectives have watched her for some while.

SHERIFF'S BABY
FRIGHTENED TO
DEATH BY MOB

LIMA, O., Aug. 31.—Sheriff Sherman Eley, victim of an enraged mob, today had added to his tortures the pangs of an aching heart when, upon his return home today he learned that his little daughter had died from shock caused last night when the mob forced its way into the jail seeking the life of Charles Daniels, a negro.

Mrs. Cecil Keppart, Mrs. Eley's sister, is in a critical condition. She was struck and abused by the mob which had been enraged by the alleged assault the negro made upon Mrs. John Barber, wife of a prominent Allen County farmer.

Prosecuting Attorney Ortha Barr of Allen County, informally appealed to the secretary of state Willis to send state troops to this city in an effort to keep down a revival of the mob spirit.

The state authorities took no action on Mr. Barr's request as only the mayor or a county judge is empowered to make an appeal for troops.

For a time, however, some officials feared a race riot might follow last night's violence and every precaution was taken.

The negro tonight was in the Henry County jail at Napoleon, where he was rushed late last night while the mob was enroute from Lima to Ottawa to get him.

Colonel E. S. Bryant, assistant general of Ohio, who came to Lima this afternoon, informed state officials that the situation was quiet and that there were no immediate prospects of trouble.

THE JOY OF
MOTHERHOOD

Words of Encouragement to Childless Women.

Motherhood is woman's natural destiny, but many women are denied the happiness of children simply because of some curable derangement.

Among the many triumphs of Lydia E. Pinkham's Vegetable Compound is its marvelous power to overcome such derangements, as evidenced by the following letter:—

Worcester, Mass.—"I suffered from female ill, and was advised to have an operation, but a friend who had taken Lydia E. Pinkham's Vegetable Compound and who has six children, told me to try it. It has helped me so much that I am now well and have a baby boy who is the picture of health, and I thank the Vegetable Compound for my restoration to health."

—Mrs. BERT GARVEY, 20 Hacker St., Worcester, Mass.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

Write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice—it will be confidential.
